Best Actor, Play

DAVID CASTEAL in *York* at the Civic's Studio Theatre. Caprile calls him "energetic, engaging, convincing, moving ... everything an actor should be." Doyle-Lipe adds that "Michael Weaver, Reed McColm and Ed Cornachio all gave incredible performances – however, David Casteal in *York* was amazing. His performance was truly mesmerizing, and his talent is such that I wonder why he is here. Phenomenal!"
